The screenshot displays the IBM Cognos Analytics with Watson interface. The top navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", a "Learn More" button, a clock icon showing 30s, a search bar with "Search content", and user profile icons. Below the navigation bar is a toolbar with icons for file operations. The main workspace is divided into a left sidebar and a central area. The sidebar, titled "Data module", contains a search bar and a list of items: "New data module", "Navigation paths", and "Global_Su...tore2.csv". Under "Global_Su...tore2.csv", there is a list of columns: "# Row Id", "# Row ID", "abc Order ID", "Order Date", "Ship Date", "abc Ship Mode", "abc Customer ID", "abc Customer Name", "abc Segment", "City", "State", "Country", and "Postal Code". The central area has tabs for "Grid", "Relationships", and "Custom tables". The "Grid" tab is active, showing a large circular icon with a checkmark and the text "Preview data". Below this icon, it says "To preview data, select a table, a column in a table, or a folder that contains columns."
