The screenshot displays the IBM Cognos Analytics with Watson interface. The top navigation bar includes the IBM logo, the text "IBM Cognos Analytics with Watson", a "Learn More" button, a 30-day timer, a search bar, and user icons. Below the navigation bar, the "Data module" panel on the left shows a search bar and a list of data modules. The "Global_Su...tore2.csv" module is expanded, revealing a list of columns: Row Id, Order ID, Order Date, Ship Date, Ship Mode, Customer ID, Customer Name, Segment, City, State, Country, and Postal Code. The main workspace area on the right is titled "Grid" and contains a "Preview data" prompt with a circular icon of a calendar and a checkmark. The prompt text reads: "To preview data, select a table, a column in a table, or a folder that contains columns."
